The Wars in Iraq

A Selected List of Resources

Booth Library has a large collection of learning resources to support the study of Operation Desert Shield, the Persian Gulf War, Sanctions and Weapons Inspections, and the Iraq War by undergraduates, graduates, and faculty. The materials are held in the reference collection, the main book holdings, the journal collection, government documents, and the online full-text databases. In addition, Booth Library's computer lab provides access to resources located on the World Wide Web. Books and journal articles from other libraries may be obtained using interlibrary loan.

This is a subject guide to selected works in this field that are held by the library. The citations on this list represent only a small portion of the available literature owned by Booth Library. Additional materials can be found by searching the Illinet Online Catalog.
